# Wines for Every Valentine's Day Occasion

FEBRUARY 6, 2017 by HONEST COOKING

**F** From a casual singles party to a cozy night complete with braised meats and a cozy fire, here are our favorite Valentine's Day wines that pair with every occasion.

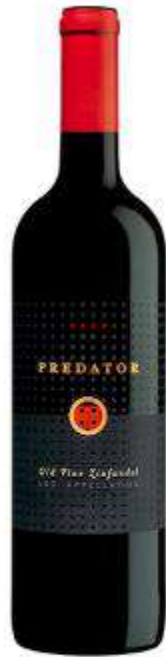

## To Add a Seductive Feel: **Two Range Red**

The flavors of Valentine's Day can be found right in this bottle, sexy, aromatic spices coupled with rich, black cherry aromas, and seductive dark chocolate flavors. It's rich, full-bodied, with a long finish and will bring the relaxed and intimate mood the day calls for.

## For a Truly Rich Glass of Wine: **Lander-Jenkins Cabernet Sauvignon**

Fresh aromas cherry alongside smoky tobacco and deep blackberry notes, this wine will take you on such a balanced flavor journey you may forget you have a date at all. It's rich, silky, and seductive.

## Perfect with Charcuterie: **Predator** Zinfandel

This full-bodied wine brings a lot to the palate while still being food friendly. With lingering tannins and a long, juicy, fruit finish complete with smoky notes, we recommend this wine with steak or a smoked charcuterie spread.
