RESERVE

CABERNET SAUVIGNON  
NAPA VALLEY

**THE 2019 GROWING SEASON** started with an abundance of rainfall and late soil moisture. The long, warm summer saw very extreme heat events, with foggy mornings setting the stage for vibrant and expressive wines. The long, relatively mild finish to the season helped to preserve freshness and finesse in the fruit with abundant hang time teasing out great color, structure and soft tannins. Yields were average to a little below average. All in all, exceptional fruit with bright acidity and ample texture promises and amazing vintage

The base of our **2019 RESERVE CABERNET SAUVIGNON** is from the world-renowned Rutherford appellation, which is home to our Abela and Franklin estate vineyards. Perfect climatic conditions and the region's deep, loamy, well-drained soils produce dark, intensely flavored Cabernet Sauvignon grapes. Our rich soil sets the foundation for an exquisite, cellar-ready wine that will evolve in character and quality for years to come.

**FOOD PAIRING:** This Reserve Cabernet Sauvignon is a beautiful complement to mushroom tapenade upon a garlic crostini, parmesan truffle risotto, or peppercorn crusted ribeye steak.
