

2020
CALIFORNIA
CABERNET SAUVIGNON

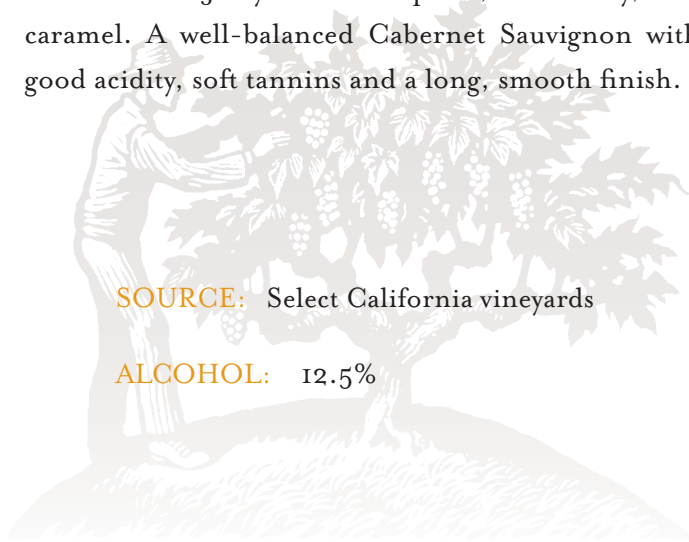

WINEMAKER'S NOTES:

The 2020 growing season started off with very little rainfall in California. This led to an exceptionally dry and moderately cool winter. These two factors accounted for a late start to the growing season. The spring was mild, but a few unseasonably warm days in June pushed maturation back to its normal timeline. Harvest began mid-August where only the finest fruit was harvested

This Cabernet Sauvignon is perfect for everyday drinking. Enjoy with grilled meats, hearty pasta dishes or a juicy hamburger. It also pairs well with brie or cheddar cheese and with chocolate desserts.

WINE DESCRIPTION:

This wine is a deep ruby color with fruit and spice characteristics. Aromas of blackberry, black cherry and caramel. Juicy flavors of plum, blackberry, and caramel. A well-balanced Cabernet Sauvignon with good acidity, soft tannins and a long, smooth finish.
