

2021 OLD VINE
ZINFANDEL

WINEMAKER'S NOTES:

The 2021 growing season will be remembered for low rainfall and low yields off the vine. The low yields led to berry flavors that are pronounced and intense. The lack of rainfall resulted in an early start to the harvest. Harvest kicked off August 6th, a week earlier than 2020 and twenty days earlier than 2019.

This Zinfandel is perfect for everyday drink-ing. Enjoy a glass with a smash-burger, prok ribs or different styles of BBQ.

WINE DESCRIPTION:

This wine has aromas of ground pink pep-percorn, fresh sage, and blueberry com-pote. Flavors of bright red fruits with a medium intensity and a layered palate with soft, integrated tannins and nice acidity.
