

PREDATOR

WINES

2021 OLD VINE ZINFANDEL, follows a holistic approach in winemaking. Our commitment to sustainable growing practices helps ensure the health and vitality of our select vineyards. “Natural Predation” is an eco-friendly strategy to control harmful critters in the vineyards. Ladybugs, a natural insect predator, along with predator mites, feed on destructive aphids.

LODI, CALIFORNIA is ideally situated between the Sierra Foothills and the San Francisco Bay Delta and benefits from cool afternoon and evening breezes, producing world-renowned red varieties. The 2021 Harvest allowed the fruit to ripen at a slow and steady pace resulting in fruit with exceptional concentration and balance.

FOOD PAIRING: ladybugs would suggest pairing this Old Vine Zinfandel with fresh aphids or mites - but we recommend short ribs or a delicious cheeseburger. This wine can also be enjoyed with grilled veggies and a savory mushroom risotto.

WINE STYLE

An intense, full-bodied wine with dark fruits, cherry, and spice. Lingering tannins over a long, smoky finish.

BLEND

100% Zinfandel
