

2023
CALIFORNIA
ROSÉ

WINEMAKER'S NOTES:

The 2023 growing season saw atypical weather patterns for California. A cooler and wetter winter with above-average rainfall helped replenish water reserves, setting the stage for robust vine growth. However, an unusually mild and delayed spring slowed bud break and early growth stages. Summer brought moderate temperatures with fewer heat spikes, allowing for gradual grape maturation and balanced acidity. The steady warmth in late summer and early fall provided an optimal finish.

We gently press our Zinfandel grapes for the pale pink hue and light skin tannin. Cool fermentation in stainless steel tanks preserves the vibrant aromas and crisp fruit flavors.

Refreshing and delicious when served chilled as an aperitif. Pair with Buffalo wings, sweet & sour pork dishes or spicy Pad-Thai.

WINE DESCRIPTION:

Beautiful rose pink color, fruit-forward with just enough sweetness.

Delicate aromas of fresh, ripe strawberries, zesty lime and watermelon. Juicy flavors of strawberry, watermelon and lime. Bright acidity, soft mouthfeel with a lively, clean finish.
