

2023 California Red Wine

The goddess Rhiannon is a figure of power and mystery in Celtic mythology. She's associated with magical birds and horses, and the contrasting qualities of change and steadfastness.

Likewise, crafting a distinctive blend requires Winemaker Marc Zaccaria to balance change and steadfastness. The uniqueness of each harvest must consistently express the winemaker's personal vision.

2023 is our 12th vintage of Rhiannon. Crafted to be complex yet approachable, our California Red Wine is an elegant expression of red fruit flavors supported by toasty oak.
